NEXT PULL DATES - SEPTEMBER 19, 2014 - STEEL WHEEL PULL - 7PM AT THE FOWLerville FAIRGROUNDS

SEPTEMBER 20, 2014 - TRANSFER SLED PULL - 10AM AT THE FOWLerville FAIRGROUNDS

SEPTEMBER 27, 2014 - BLACKTOP PULL - 3PM IN WEBBERVILLE

It seems as though we just started our pulling season and here we are on our last pulls for the season. Not sure where the summer has gone, but it certainly wasn't long enough! Nonetheless, we hope to see everyone at our upcoming pulls.

The steel wheel pull on Sept 19 will be a percentage pull and even if you do not pull steel wheels it is worth it to come and watch. The participants always make it interesting and everyone has a lot of fun.

Nearpass will be our transfer sled for our pull on Sept 20 and we will be running MTPA's classes as well as some 5 mph classes, 50/50 classes and 2 Jackpot classes (100% payback). If anyone needs more information, call one of our pull committee members or Glenda at (517) 468-2447.

Our last pull will be our Blacktop pull in Webberville during Firemans Field days and will begin after the parade, usually around 3pm.

Thank you to all of our fellow pullers, sponsors, club members and spectators who supported us this year!

We are looking forward to seeing everyone soon!

As always every member is encouraged to attend the club meetings as your ideas and suggestions are instrumental in making our club successful. If anyone would like something placed on the agenda call Glenda at (517) 468-2447
